

9900-004

Enviro-Adhesive Remover™

Description

- Quickly dissolves and removes adhesives, glues, mastics and resins.
- Works quickly and effectively to remove a variety of adhesives from a variety of surfaces -easily.
- Biodegradable, non-flammable and water-based.
- It does not contain any petroleum distillates, organic halides or any other hazardous ingredients.
- Excellent rinse ability without leaving any film or residue.

Directions

Do Not Dilute Product. Apply product on affected surface. Allow product to dwell for a few minutes then use a stiff brush to loosen adhesive. Rinse with water and wipe clean with a cloth to remove any remaining residue. High pressure washer can be used where permitted. Re-apply as necessary on stubborn areas.
